

Bags of Joy

Mike and Nia of Rural Kind make simple and useful everyday waxed cotton and leather bags from their workshop in Wales. Their Makers Tool Bags will keep any handy person's equipment tidy and organised, whether a woodworker, gardener or knitter. Other items in the range include Harvesting Bags,

Log Bags, Bum Bags and Lunch Bags, and most are available in an attractive range of colours: teal, olive, mustard, tobacco and slate. The leather comes from an old tannery in Devon, and everything is designed to last a lifetime.
